OFFICE OF PETITIONS

The undersigned Rafael A. Sierra, hereby declares as follows:

1. I am a joint inventor on the above-identified patent application. I have first hand knowledge of the following.

2. On November 30, 2001, a copy of the application, assignment to the New England Medical Center Hospitals, Inc. and inventor declaration was sent by first class mail to the home of Kathleen I. McMillan at 1958 Main Street, Concord, MA 01742 at my direction and by my Executive Assistant, Dona-Maria Dean. See Exhibit A.

3. On March 7, 2002, I called Kathleen McMillan at her place of employment Candela Corporation, 530 Boston Post Road, Wayland, MA 01778. I confirmed that she received the application and the inventor declaration and asked that she execute the inventor declaration. She personally told me that she would not execute the inventor declaration.

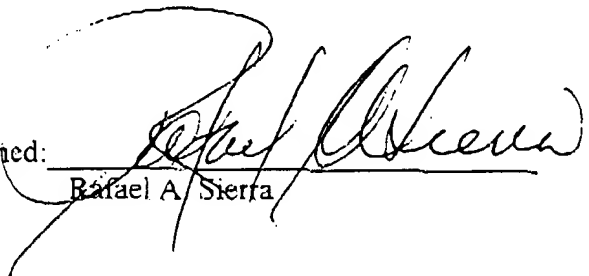

4. Kathleen McMillan stated to me that she thought the application would not be in the best interests of her present employer and that she, therefore, was not going to execute the inventor declaration.

5. The undersigned further declares that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
